```
Intro: (Gm Eb Bb D ) (4x)
( Gm Eb Bb D )
Come back, my darling one
I'm calling on you
The road ahead is long
And I must warn you
(Gm Eb Bb D )
I wonder
Where did she go?
If I failed you
(Gm Eb ) Ponte
I tell you right now
(FBbFEb)
All I want you to know; I love you
All I need is the time to show you
(Gm Eb Bb D )
Come back, my fallen son
Don't let them fool you
Cos when the day is done
They'll never move you
(Gm Eb Bb D )
Lay down your senseless pride
(Got more than you)
Put out your mournful tones
```
