

A-Ha - Barely Hanging On

Tom: **Db**
Intro: **Ab Cm Bb Ab Cm Bb**

I used to be so sensible on my own
 Now I'm so sensitive it's a joke
 I'm getting by on decibels like a drug
 And greet every brand
 New day with a shrug

I'm barely hanging on
 I'm barely hanging on
 I'm barely hanging on
 I'm barely hanging on
 I'm barely hanging on

I used to be so comfortable in a suit
 Almost presentable next to you
 I used to be so confident in a crowd
 Now I can't say my own name aloud

I'm barely hanging on
 I'm barely hanging on
 I'm barely hanging on
 I'm barely hanging on

I'm barely hanging on

 Wondering why
 We never could see eye to eye

 Ab Cm
 What has gotten into me
