Blue sky (Blue sky)  
<sup>F</sup> <sup>Am</sup>  
Blue sky

<sup>F</sup> <sup>Am</sup>  
I find it hard to breathe as life just eats away  
<sup>F</sup> <sup>Am</sup>  
At the faces that surround me they look tired today  
<sup>Dm</sup> <sup>Bb</sup>  
The lady at my table doesn't want me here  
<sup>Am</sup> <sup>D</sup>  
I just want to talk to her  
<sup>F</sup> <sup>Em</sup>  
But will she laugh at my accent and make fun of me  
<sup>F</sup> <sup>Em F Em F</sup>  
Oh doesn't seem like this blue sky's here for me  
<sup>F</sup> <sup>Am</sup>  
There are no girls in here as far as I can see  
<sup>F</sup> <sup>Am</sup>  
Only pinned up posters looking down at me  
<sup>Dm</sup> <sup>Bb</sup>  
Watching paper cups of coffee going cold before my eyes

<sup>Am</sup> <sup>D</sup>  
All the things I see that make me realise  
<sup>F</sup> <sup>Em</sup>  
I'm in this big world without you, nothing to my name  
<sup>F</sup>  
Oh I never feel like blue sky meant to stay.

<sup>F</sup> <sup>Am</sup>  
Blue sky (Blue sky)  
<sup>F</sup> <sup>Am</sup>  
Blue sky (Blue sky)  
<sup>F</sup> <sup>Am</sup>  
Blue sky (Blue sky)  
<sup>F</sup> <sup>Am G</sup>  
Blue sky

<sup>F</sup> <sup>Am</sup>  
I'm dying to be different in the coffee shop  
<sup>F</sup> <sup>Am</sup>  
I live to borrow strength, now my supplies are cut  
<sup>Dm</sup> <sup>Bb</sup>  
Oh I'm older than my looks and younger than my years  
<sup>Am</sup> <sup>D</sup>  
I'm too young to take on my deepest fears  
<sup>F</sup> <sup>Em</sup>  
Oh I used to be confused but now I just dont know  
<sup>F</sup> <sup>Am</sup>  
Since you left I've been watching blue skies come and go  
<sup>F</sup> <sup>C</sup>  
Since you left I've been watching blue skies come and go
