

## A-Ha - Differences

Tom: D

Raise your voice  
Give us hope  
Make us whole  
Save our souls  
We have failed so many times  
Our attempts in steep decline  
Promises we could not keep  
Differences that run too deep

We're afraid  
of ourselves

For a while  
Keep us safe  
Love is such a big idea  
If you don't see it, how can we?  
Promises we could not keep  
Differences that run too deep

Show the way  
Lead us home  
We are lost  
Give us hope
