On a digital river we will drift
                    Dbm    A
In an alien world that don?t exist
                  E                Gbm
A nonsensical quest, is what I mean
                Dbm              A
Burning your eyes out on that screen

       Gbm       E
And as we drift so far downstream
