

A-Ha - Hunter In The Hills

tom:
Intro: F Am G F

[Primeira Parte]

There's a hunter in the hills
I heard a shot rang out
There's a hunter in the hills
Of that there is no doubt

[Pré-Refrão]

Clouds sweep through the treetops
At dawn
Dissolving into nothing
The battle lines are drawn

[Refrão]

Hunter in the hills
Hunter in the hills
He's looking for a kill

[Segunda Parte]

When I walked out that morning
The grass was wet from dew

Found a package in the mailbox
"Saw this book and thought of you..."

[Pré-Refrão]

You never see it coming
You never see it fade
Aging into nothing
Withered and betrayed

[Refrão]

Hunter in the hills
Hunter in the hills
He's looking for a kill
