

A-Ha - Hunting High and Low

```
tom:
Here I am
And within the reach of my hands
      Am
She's sound asleep
                              В7
And she's sweeter now than the wildest dream
      Bb
Could have seen her
       Ab
And I watch her slipping away
                  F
But I know I'll be hunting high and low
                      Em
There's no end to the lengths I'll go to
Hunting high and low
Hi_gh
                      Em
                            Dm
There's no end to the lengths I'll go
To find her again
                       Fm
Upon this, my dreams are depending
Through the dark
                      Db7
                                Cm
I sense the pounding of her heart next to mine
          Ab
She's the sweetest love I could find
So I guess I'll be hunting high and low
```
