

# A-Ha - Little Black Heart

Tom: G

Measure 1:

1 (NC ) I never saw sunlight  
Burn as bright  
I never felt darkness  
The way I feel it tonight  
You say it's getting better  
You say it's alright  
But I never felt darkness  
Like I feel it tonight  
Little black heart  
(NC ) Raindrops on my window  
I can't tell them apart  
Like the few things forgiven  
In my little black heart  
You say it's getting better  
We just never got it right  
But I never felt darkness  
The way I feel it tonight  
Little black heart

D  
Some day we will shine  
Like the moon in the morning  
Like the sun when it's dawning  
Yes, the sun when it's dawning  
The sun  
G C G C G C G C G C G C  
D  
Some day we will shine  
Like the moon in the morning  
Like the sun when it's dawning  
Yes, the sun when it's dawning  
The sun  
Em  
Raindrops on my window  
I can't tell them apart  
Like a few things forgotten  
And a few things ignored  
You say it's getting better  
You say it's alright  
But I never felt darkness  
The way I feel it tonight  
Little black heart  
My little black heart
