

# A-Ha - Little Black Heart

Tom: G

Measure 1:

1 (NC ) I never saw sunlight  
 Burn as bright  
 I never felt darkness  
 The way I feel it tonight  
 You say it's getting better  
 You say it's alright  
 But I never felt darkness  
 Like I feel it tonight  
 Little black heart  
 (NC ) Raindrops on my window  
 I can't tell them apart  
 Like the few things forgiven  
 In my little black heart  
 You say it's getting better  
 You say it's alright  
 We just never got it right  
 But I never felt darkness  
 The way I feel it tonight  
 Little black heart

D  
 Some day we will shine  
 Like the moon in the morning  
 Like the sun when it's dawning  
 Yes, the sun when it's dawning  
 The sun

 Em  
 Raindrops on my window  
 I can't tell them apart  
 Like a few things forgotten  
 And a few things ignored  
 You say it's getting better  
 You say it's alright  
 But I never felt darkness  
 The way I feel it tonight  
 Little black heart
