

## A-Ha - Living At The End Of The World

Intro: D D D A Fm Sometimes it leaves me with fear Never saw the horizon this near Em Look to the left then to the right I tuck you in and kiss you goodnight

G Gbm See there is something I know We are not whom we?re told Bm Gb Gbm We are more than we?ll never know And we?re living at the end of the world Forget about all that you?ve heard D G Em D Living our dreams on the highway It?s just another day No matter what they say or you?ve heard Gbm We?re living on top of the world We?re living our dreams on the highway No matter what they say It?s just another day E7 I hear your heart beat in the night You are like an echo of light But in times when shallow runs deep

Your golden beauty goes cheap Still there is something I know Gbm Something yet to unfold Gbm And we are more than we?ll never know And we?re living at the end of the world Forget about all that you?ve heard D G Em Bm Living our dreams on the highway It?s just another day No matter what they say or you?ve heard We?ve made it to the top of the world Building up speed on the highway We?ve made it to the end Living at the end of the world (ADAEm DADGGD) Forget about all that you?ve heard No matter what they say Living at the end of the world Bm Living about all that you?ve heard Building up speed on the highway yeeeea Bm D Living at the end of the world
