

A-Ha - Mother Nature Goes To Heaven

Tom: **A**

(intro) **Db B A Ab**

Db
Wrong

You never got it wrong **B A**

You always got it right **Ab Db**

But now some time has passed; **B A**

You're ever so slightly off **Ab E**

Thing you could do asleep **D Gb**

In a not too distant past, **B E**

Are trying your patience **Db Gb**

Harder now **A**

And though **E**

Everything moves along **Ab A**

You hope the rumour's wrong **Ab**

That Mother Nature **E Gb**

Goes to heaven **E B Db**

Right

You never got it wrong

It always got away

When you had it nailed

It was ever so slightly off

Sending you somewhere else

Than where you had to be

Making it that much

Harder now

And though

You're struggling to get on track

It pales somewhat to the fact

That Mother Nature **E Gb**

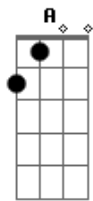

Goes to heaven **E B Db B**

And there will be no sadder day **A Db B**

When all the birds **A Ab**

Have flown away **Db B A Ab**
