

A-Ha - Shadow Endeavors

Tom: **D**

Bm **A**
Why breathe a word

Bm **Gbm**
When no one needs to know

Bm **A**
Why say a thing

Bm **Gbm**
To another living soul

G **A**
Let us pay no mind

D **C** **G** **D Em**
To a world that seems unkind

A
For here is something to shelter

D **A** **Bm**
Now more than ever

G **D**
Shadow endeavours

Our shadow endeavours

Shadow endeavours

Shadow endeavours

Shadow endeavours

Shadow endeavours

Bm **A**
Why leave us open

Bm **Gbm**
And naked to the sun

Bm **A**
Why draw their fire

Bm **Gbm**
That they'll surely reign upon us

G **A**
Let us pay no mind

D **C** **G** **D Em**
To their words and bitter lines

A
For here's something to shelter

D **C** **G**
And now more than ever

G **D**
Shadow endeavours

These shadow endeavours

Shadow endeavours

Shadow endeavours

Shadow endeavours

More than ever

Shadow endeavours

Bm **D** **Em**
Only ever happened to me once

D **Bm**
It doesn't come again

Em **Bm**
I think somebody left me here

A
Afraid and lonely

Em **Bm**
A long time ago

Bm **D** **Em**
Only ever happened to me once

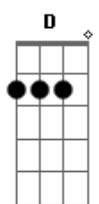

D **Bm**
It doesn't come again

Em **Bm**
I think somebody left me here

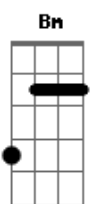

A
Afraid and lonely

Em **Bm**
A long time ago
