

A-Ha - Summer Rain

```
tom:
Intro: Dm C Dm C
What we didn't lose with the summer rain
Comes back to haunt us in the autumn again
G Bb
Open all doors and release the pain
  Dm
Dm
What we couldn't shake from when last we met
C F Am7
Fall from our hands like soft regret
 G Bb
Let's pick ourselves up to make another bet
 Dm
And try again
               Gm7
                               Bb
Faces to the sun now, there is nothing left to hide

C Gm7 Bb C7 Dm

We can get together if we can see beyond our pride

C A7 Bb
And come out through the doors on the other side
Bb Dm C
In the summer rain
( Dm G7 Dm G )
( C F Am7 F )
( G7 Bb Dm )
```

```
Now what we cannot solve we can set aside
                    Am7 Gm
Despite our differences we're intertwined
    Bb
Time will heal and the hurt subside
    Dm
In the summer rain
Eyes up to the sun now, there's so little left to hide C Gm7 Bb C7 Dm
We will get together, don't let circumstance decide
                      Α7
We'll come out through the doors on the other side
C7 Dm C Gm Bb Dm
Into the summer rain
C
            Gm
                            Bb
Faces to the sun now, there is nothing left to hide
C Gm Bb C7 Dm
We can get together if we swallow our pride
C Gm7 Bb F
Put your best foot forward, don't let circumstance decide
        Gm Bb Am7
We will find ways to continue this ride
                      Α7
And come out through the doors on the other side
   Dm
To the summer rain
    D G Dm
                      Dm D
Oh, the summer rain
