

A-Ha - The Living Daylights

Tom: Bb

Intro: Dm Gm Am Dm Gm Am Dm

Hey driver, where we going? I swear my nerves are showing
Set your hopes up way too high,
the living's in the way we die

Comes the morning and the headlights fade away
Hundred thousand people, I'm the one they frame
I've been waiting long for one of us to say
Save the darkness, let it never fade away

Ah-ah-ah-ah, the living daylight
Ah-ah-ah-ah, the living daylight

All right, hold on tight now, it's down, down to the wire
Set your hopes up way too high,
the living's in the way we die

Comes the morning and the headlights fade in rain
Hundred thousand changes, everything's the same

I've been waiting long for one of us to say
Save the darkness, let it never fade away

Ah-ah-ah-ah, the living daylight
Ah-ah-ah-ah, the living daylight
Ah-ah-ah-ah, the living daylight

Comes the morning and the headlights fade away
Hundred thousand people, I'm the one they frame

Ah-ah-ah-ah, the living daylight
Ah-ah-ah-ah, the living daylight
Ah-ah-ah-ah, the living daylight

Set your hopes up way too high, living's in the way we die
Set your hopes up way too high, living's in the way we die
Set your hopes up way too high, living's in the way we die
Set your hopes up way too high, living's in the way we die
