

A-Ha - The Wake

Tom: D

Bm **D**
Can't change the one you are
A
Can't change the one you love
Gbm **D**
Lower your guard
Bm **D**
I've made a few mistakes
A
I'll tell you what it takes
D
Under the stars
G **D**
Have you seen the other me at times?
G **D**
Walking on an ever looser line

D
Baby this is a wake
Bm
You and I will not escape
Gbm **A**
As time goes by
D
The world's never been older
Bm
Your head on my shoulder

Gbm **A**
So close your eyes

Stung by normality
Wronged by your family
Conventions aside

Cannot change the one you love
From inside - or from above
Just hold him tight

Walking on an ever looser line
But love has let me over every time

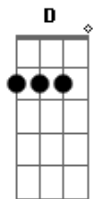

Baby we're on a wake
You and I will not escape
Just close your eyes

The world's never been older
Your head on my shoulder
As time goes by

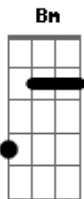

Baby this is a wake
None of us will escape
Who we are

The world's never been older
Your head on my shoulder
As time goes by
