

## A-Ha - You Want More

```
Tom: Gb
                                    Gb7
                                                                                                                                                                                                        Bm
                                                   You know the way , you've been before
I've seen the sights outside your door
                                                                                                                                                                                Bm
You've set the rules
                                                                                                                                                                                                                                                                                                                                                                                  Bm
                                                                                                                                                                Db
Their bitter taste can't be ignored
                                                                                                                                  Bm7
It just the same , just like before
                                                                                                                            D
You wanted more
I loved the sun , I loved the rain % \left( 1\right) =\left( 1\right) +\left( 1\right) 
Db D D I gave it up, but all in the vain
                                                                                                                                  Gbm Bm
  I loved the way it was before
                                                                                 Db D
So bittersweet to be adored
                                                                                                          Bm
We had it all, you let it go
You wanted more
                                                                                                                       Bm
But in the end , what is a friend % \left( 1\right) =\left( 1\right) \left( 1\right) +\left( 1\right) +\left( 1\right) \left( 1\right) +\left( 1\right) +
                                                                                                                Gbm
                                                                                                                                                                                                                                                            D
If not someone to help pretend
                                                                     Bm
Remember me
you know my name , I'm still the same
                                                                                                                                              Bm
But not for you, that's not enough
You wanted more
                                                                                                                                                  Gbm
I loved the sun , I loved the rain
```
