

A Thousand Horses - Smoke

Tom: **G**
Intro: **G C G C**

[Verso]

She comes **G** rolling right off the tip of my tongue so **C** easy
She'll be the first damn thing I want when I start drinking **C**
I'm **Em** breathing her in, breathing her out
Once I **C** pick her up, I can't put her down

[Refrão]

She's **G** smoke
I pull her in nice and **C** slow
She's a habit and I can't let go **Em**
Blowing **C** rings around my heart
The one she **G** stole
Watching her swayin **C** low
It's killing me and I know **Em**
Can't **C** stop her once you start
She's **G C** smoke

[Verso]

She'll go **G** floating around like a downtown ballroom gypsy **C**
She goes **G** great with an ice cold beer or a shot of whiskey **C**
Put one in my hand, her on my lips **Em**
Man, that's as good as it gets **C**

[Refrão]

She's **G** smoke
I pull her in nice and **C** slow
She's a habit and I can't let go **Em**
Blowing **C** rings around my heart
G

The one she stole
Watching her swayin **C** low
It's killing me and I know **Em**
Can't **C** stop her once you start
She's **G C G C** smoke

When the **G** night burns out
And we all go home **C**
Smell of **G** sweet perfume
All over your clothes **C**
Like **G C** smoke
Like **G C** smoke
