

A Week Away - Awesome God / God Only Knows (Campfire Medley)

tom:

Em

Our God is an awesome God

He reigns from heaven above

With wisdom, power and love

Our God is an awesome God

Wide awake while the world

Is sound asleepin'

Too afraid of what might show up

While you're dreamin'

Nobody, nobody, nobody sees you

Nobody, nobody would believe you

Every day you try

To pick up all the pieces

G D

All the memories

They somehow never leave you

Nobody, nobody, nobody sees you

Nobody, nobody would believe you

God only knows what you've been through

God only knows what they say about you

God only knows how it's killing you

Is there a kind of love that

God only knows what you've been through

God only knows what they say about you

God only knows how it's killing you

Is there a kind of love

That God only knows
