

# Aaron Lewis - Country Boy

Tom: C

<sup>D</sup>  
Now I grew up down an old dirt road  
In a town you wouldnt know  
My pop picked a place up for fifteen hundred bucks  
Back in 1964

<sup>D</sup>  
My grandfather was a drinker  
Back in the day he put em down  
But a war is known to change a man  
And the whiskeys known to change a man but

<sup>C D</sup>  
Thats not me  
I rarely drink from the bottle but Ill smoke a little weed <sup>C D</sup>  
I still live in the sticks where you wouldnt go  
In a town of twelve hundred off an old dirt road  
And a country boy is all Ill ever be

<sup>D</sup>  
Now its been twelve years since I sold my soul  
To the devil in L.A.  
He said sign your name here on the dotted line  
And your songs they all will play

<sup>D</sup>  
He set up shop on Sunset  
He put me up at the Marquis  
He said you want to sell a million records boy  
You better listen to me

<sup>C G</sup>  
He said change your style, whiten your smile  
you could lose a couple pounds  
And if you want to live this life  
You better lose that wife

<sup>C D</sup>  
Do ya need your friends around?  
I said.. <sup>C G</sup> No thats not me <sup>C D</sup>  
<sup>D</sup>  
Cause the biggest things in life are your friends and family  
And I like my jeans and my old tshirts  
and couple extra pounds never really hurt  
And a country boy is all Ill ever be

<sup>F G D</sup>  
Cause Hank taught me just how to stay alive  
Youll never catch me out the house without my .9 or .45  
I got a big orange tracker and a diesel truck  
My idea of heaven is chasing white tail bucks  
And as a country boy I know I can survive <sup>Am</sup>

<sup>D</sup>  
Now two flags fly above my land  
That really sum up how I feel  
One is the colors that fly high and proud  
The red, the white, the blue

<sup>D</sup>  
The other ones got a rattlesnake  
with a simple statement made  
"Don't Tread On Me" is what is says  
and I'll take that to my grave

<sup>C G C D</sup>  
Because..... this is me  
Im proud to be American and strong in my beliefs <sup>C D</sup>  
And Ive said it before but Ill say it again  
Cause I never needed a government to hold my hand  
And Ive said it before but Ill say it again  
Cause my familys always fought and died to save this land  
And a country boy is all I'll ever be
