## Aaron Ross - New York

tom: Intro: E B A В There's no need to say goodbye, girl B 'Cause I ain't\_going nowhere В I have been lost inside my mind, girl В Α For so long I have lost track of time, girl В So New York City here I come В Hug me in, hold me with your wide open arms  $\begin{array}{c} B & A \end{array}$ I have been searching for something E B В And I think you might have what I am looking for В F Oh, I think you might have what I am looking for В Yes, I think you might have what I am looking for В F Α Well, I think you might have what I am looking for Abm Α Or maybe you don't

There's no need to say goodnight, girl E B A Oh, in the city that never sleeps E B A I need something to ease my mind, girl E B A 'Cause it's racing like a car through city streets E B A I wish that I could run away from here E B A And never ever ever ever look back

## Acordes

В But I'm still sipping back on vodka B Oh, still trying to figure out where I lost track Yes, I'm trying to figure out where I lost track F В Well, I'm trying to figure out where I lost track R And I'm trying to figure out where I lost track Abm Way, way back Abm Δ Oh, way, way back B I think that I should be moving on now B 'Cause this town has held me for far too long В Please, won't you tell me if I am wrong, girl? В Oh, 'cause the heart of a traveler is a spiritual one B A And when I see them lights on Fifth Avenue E B A Well I'm gonna be a Dharma bum В When I see them lights on Fifth Avenue В Oh, at this time I'll know I've won B And at this time I'll know I've won В Oh, at this time I'll know I've won В Well, at this time I'll know I've won Ab A And my life's finally begun Abm Abm E And my life's finally begun
