Aaron Smith - Brother

```
                          tom:
                    Bm
Intro: G  D  A  Gbm

[Primeira Parte]

G                D                A    Gbm
If I could, I would, I'd start again
G                D            A
But here I am again at 3 a.m.
                 D         G
With a drink in my hand

       G      D              A    D
If I could, I would, I'd start again

[Pré-Refrão]

G                D
Swear that the night got colder
A              Gbm
Can't sleep on someone's shoulders
G           D      A       G
So tired of going nowhere

[Refrão]

D        A   D       G
Fade me out Save me now
D        A          D            G
Pull me under Cause nobody wants me
D         A       Gbm    G
Give me time And ease my mind
D        A         D
Be my brother Cause nobody wants me

( G   D   A  Gbm )
( G   D   A  Gbm )
```

```
[Segunda Parte]

    G            D            A    D
We both know that I've seen better days
G            D            A
I could really use a friendly face
A
'Cause it's all that I have
G          D          A    D
I can barely breathe and I'm aching

[Pré-Refrão]

G                          D
Swear that the night got colder
A              Gbm
Can't sleep on someone's shoulders
G           D      A       Gbm G
So tired of going nowhere

[Refrão]

D        A   D  G
Fade me out Save me now
D        A          D        G
Pull me under 'Cause nobody wants me
D         A         Gbm  G
Give me time And ease my mind
D          A
Be my brother 'Cause nobody wants me

[Ponte]

          G  D     A  Gbm
Don't leave me to die now
G     D      A   Gbm
Teach me to fight
          G  D     A  Gbm
Don't leave me to die now
```
