

Aaryan Shah - Renegade

tom:
Intro: Am Em F Em

[Primeira Parte]

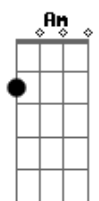

Keep your hands right there
I popped two more, she's in my mind somewhere
Won't let my mind go there
I took too much, don't let me drive nowhere, oh
Keep your eyes on mine
And if you want I'll tell you lies
Tell you I'm yours for life
And tell your friend she's next in line

[Hook]

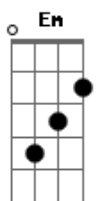

Oh
Should've listened to them
Oh
Don't you know what I am?
Oh
Should've listened to them
Oh
Don't you know what I am? (Oh)

Keep the drugs real close
One more line before I overdose, oh
And no one ever knows
She's on my mind when I'm on yours, oh
I'm not here for games
I told you what it is, you chose to stay, oh
Baby, you chose the pain
'Cause you don't know me, you just know my name, oh

[Hook]

Oh
Should've listened to them
Oh
Don't you know what I am?
Oh
Should've listened to them
Oh
Don't you know what I am? (Oh)
[Final]
