Can you hear the drums Fernando?

I remember long ago another starry night like this **Gbm**
Bm
In the firelight Fernando

You were humming to yourself and softly strumming your guitar **E**
I could hear the distant drums and sounds **A**
Of bugle calls were coming from afar

A
They were closer now Fernando **Gbm**
Every hour, every minute seemed to last eternally **Bm**
I was so afraid Fernando

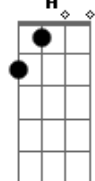

We were young and full of life and none of us prepared to die **E**
And I'm not ashamed to say the roar of guns and cannons **E**
Almost made me cry **A**

There was something in the air that night **E**
The stars were bright, Fernando **A**

e **E**
A
f They were shining there for you and me, for liberty,
Fernando

ã Though we never thought that we could lose, there's no
regret
o **E**
E A
If I had to do the same again, I would, my friend,
Fernando **E**
A
If I had to do the same again, I would, my friend,
Fernando
A
Now we're old and grey Fernando **Gbm**
And since many years I haven't seen a rifle in your hand **Bm**
Can you hear the drums Fernando? **E**
Do you still recall the fateful night we crossed the Rio Grande?
I can see it in your eyes **E** how proud you were to fight **A**
For freedom in this land
