

ABBA - I have a dream

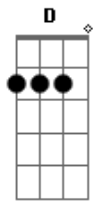

tom: D [Intro] D A7 D

D A7 D A7 D
 I have a dream, a song to sing to help me cope with anything
 If you see the wonder of a fairy tale
 You can take the future even if you fail
 I believe in angels, something good in everything I see
 I believe in angels when I know the time is right for me

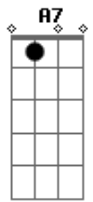

I'll cross the stream, I have a dream

D A7 D A7 D
 I have a dream, a fantasy to help me through reality
 And my destination makes it worth the while
 Pushing through the darkness still another mile
 I believe in angels something good in everything I see
 I believe in angels when I know the time is right for me
 I'll cross the stream, I have a dream
