                     C

                G7              C
I Have a Dream, a song to sing
         G7        C
To help me cope, with anything
          G7              C
If you see the wonder, of a fairy tale
         G7                C
You can take the future, even if you fail
          G7
I believe in angels
                   F          C
Something good in everything I see
          G7
I believe in angels
                 F          C
When I know the time is right for me
          G7             C
I'll cross the stream, I Have a Dream
         G7            C
I Have a Dream, a fantasy
          G7           C
To help me through, reality
                  G7
And my destination
                    C
Makes it worth the while
                    G7
Pushin' through the darkness
          C
```
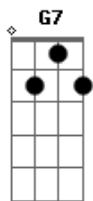

```
Still another mile
              G7
I believe in angels

Something good in everything I see

When I know the time is right for me
             G7             C
I'll cross the stream, I Have a Dream
             G7             C
