VERSE

The city is a jungle you better take care

Never walk alone after midnight. If you don't

Believe it you better beware of me.

Chorus

I am behind you I always find you

I am the tiger. People who fear me

Never go near me, I am the tiger.

Yellow eyes are glowing like the neon lights

Yellow eyes the spotlight of the city nights.

Verse 2 The city is a nightmare, a horrible dream. Some of us will dream it forever. Look around the corner and try not to scream it's me.

Verse 3 The city is a prison, you never escape, you're forever trapped in the alleys. Look into the shadows, and you'll see the shape of me.
