I was in a trance when I kissed the teacher. Suddenly I took the chance, when I kissed the teacher. Leaning over me, he was trying to explain the laws of geometry. And I couldn't help it I just had to kiss the teacher.

What a crazy day, when I kissed the teacher. All my sense had flown away, when I kissed the teacher. My whole class went wild, as I held my breath the world stood still and he just smiled. I was in the 7th heaven when I kissed the teacher.
