

# Abbey Glover - Am I The Problem

tom:

**C**

Go on say it again  
**C**  
Print it in my brain  
**Am**  
You're leaving  
**F**  
You don't love me anymore

**C**  
My heart is breaking  
**C**  
With every step you're taking  
**Am**  
Hope it's just a bad dream  
**F**  
And you'll be here in the morning

**C** **Am**  
But how could you do that to me baby ?  
**F**  
Break my heart like it's nothing  
**G**  
And walk away  
**C** **Am**  
See I'm here picking up all the pieces  
**F**  
That you left darling  
**G**  
Why did you lie when you said you loved me ?

**C**  
Go on hurt me again  
**C**  
I've grown used to it  
**Am**  
Is it me ?  
**F**  
**Am** I the problem honey ?  
**C**  
Why does love start so sweet  
**C**  
Then end up so sour

**Am**  
Maybe it's not for me  
**F**  
I'm tired of feeling so down

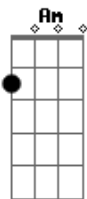

**C** **Am**  
But how could you do that to me baby ?  
**F**  
Break my heart like it's nothing  
**G**  
And walk away  
**C** **Am**  
See I'm here picking up all the pieces  
**F**  
That you left darling  
**G**  
Why did you lie when you said you loved me ?

**F** **G** **C**  
Now I have no idea where I'm going  
**F**  
The steps you took  
**G** **Am**  
I thought we'd take together  
**F** **G**  
I don't like the unknown  
**C**  
And I'm left without knowing  
**F** **G**  
Is there someone with a little love  
**Am**  
They could show me  
**C** **Am**  
But how could you do that to me baby ?  
**F**  
Break my heart like it's nothing  
**G**  
And walk away  
**C** **Am**  
See I'm here picking up all the pieces  
**F**  
That you left darling  
**G**  
Why did you lie when you said you loved me ?
