## Abbey Glover - Broken

Tom: G
G
Tell me what do you want this time?
Em
What do you want from me?
'Cause I've got nothing to give G D
After giving you all of me

## G

Tell me are you happy now? Em
Did it all plan out
C
Exactly how you wanted it to
Em
My heart may be broken
But at least I've got one
And I'd rather have a broken heart D
Than none

## Em

Tell me are you just jealous C
That I can love?

When you've always been incapable D
Incapable of loving someone
Incapable of loving someone

## G

Do you know how long it takes to mend a heart? Em
Let somebody in?
Let them break down all of the walls
That I've built around myself again

> Em

My heart may be broken
