m
I'm so tired of not feeling anything

Em
So tired of feeling so empty

Em
Where did everything go as wrong
As wrong, as wrong as I've always

G
Been treated before?

D
When all I ever really wanted

G
Was to love and be loved in return

Em
But now I've lost my key and now
I can't let anyone in

G
And I'm trying so hard to find it
But every key that I find it don't fit

Em
And this house is so full and messy
This house i call my head

G
And I'm trying so hard to find it

D
But letting you in it's the hardest part

Em
You say 'babe, I want you so'

Em
I say 'I'm so sorry, so sorry

G
But I gotta let you go'

Em
God, I hate to say this to you
But I think, i think it's best if

G
We stay apart

D
So run, run, run, run, run, run
While you can cause I hurt

G
Everything that crosses my path

D
It's just who I am

Em
And now I've lost my key
And now I can't let anyone in

G
And I'm trying so hard to find it

But every key that I find it don't fit

Em
And this house is so full and messy
This house I call my head

G
And I'm trying so hard to find it

D
But letting you in it's the hardest part

Em
Letting you in it's the hardest part

G
Letting you in it's the hardest part

D
The hardest part

Em
Oh I know deep down I want you so cause
I dream of us on the beach, sand in

G
Our toes
Dancing around the early hours of the

D
Morning, hand in hand, softly slowly

G
Falling in love, with you

Em
But now I've lost my key
And now I can't let anyone in

G
And I'm trying so hard to find it
But every key that I find it don't fit

Em
And this house is so full and messy
This house I call my head

G
And I'm trying so hard to find it

D
But letting you in it's the hardest part
