tom:

^C
Help me out

^G
I really need your help right now

^{Am}
I can't seem to find a way out

^F
Alone

^C
My brains not functioning

^G
I could really do with something

^{Am}
To keep my mind of everything

^F
That's going on

I'm screaming

^G
Help me, help me, help me honey

^C ^{Am}
Can you help me, help me now

^G
You always knew the words to say

^C ^{Am}
To make everything all okay

^F
And I miss you

^G ^C
And I need you tonight

^C
Looking at myself

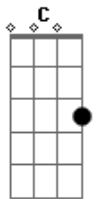

^G
I really don't like what I see

^{Am} ^F
And the mirror keeps saying nasty things to me

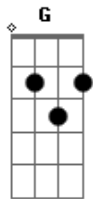

^C
You used to make me feel pretty

^G
Light up the dark days
