

Abbey Glover - Is It Okay?

Tom: **B**

m **Bm**
 Baby, you're driving too fast

G
 Can you feel the rush?

Em
 You're gonna get us both killed

G
 Oh, but so can love

Bm
 Can you feel the thrill?

G
 One hand on the wheel

Em
 The other on my shoulder

G
Am I dreaming or is this real?

Em
 Fire, water, lightening

G
 Rushing through my veins

Bm
 And I'm still standing, I'm still standing

A
 What are you doing to me?

Em
 You say is it okay, is it okay

G
 Darling, is it okay, is it okay if I stay?

A
 I won't let you down, down, down

Em
 I won't let you down, down, down

G
 It's a promise, it's a promise

Bm
 But is it a promise you can keep?

A

G
 Now we're dancing in the street

G
 Can you feel my heart beat?

Em
 Going so fast

G
 I think I'm gonna have

G
 Think I'm gonna have a heart attack

Bm
 You say that's what love feels like

G
 Tell me when you close your eyes at night

Em
 Is it me you see?

G
Am I the one that occupies your dreams?

Em
 Fire, water, lightening

G
 Rushing through my veins

Bm
 And I'm still standing, I'm still standing

A
 What are you doing to me?

Em
 You say is it okay, is it okay

G
 Darling, is it okay, is it okay if I stay?

A
 I won't let you down, down, down

G
 I won't let you down, down, down

Em
 It's a promise, it's a promise

Bm
 But is it a promise you can keep?

A

G
 But is it a promise you can keep?

G
 I'm giving you one chance, one chance only

Em
 Love me, love me baby

Bm **A**
 It's all or nothing with me

G
 I'm giving you one chance, one chance only

Em
 Love me, love me baby

Bm **A**
 It's all or nothing with me

Em
 Fire, water, lightening

G
 Rushing through my veins

Bm
 And I'm still standing, I'm still standing

A
 What are you doing to me?

Em
 You say is it okay, is it okay

G
 Darling, is it okay, is it okay if I stay?

A
 I won't let you down, down, down

G
 I won't let you down, down, down

Em
 It's a promise, it's a promise

Bm
 But is it a promise you can keep?

A

G
 It's a promise, it's a promise

Bm
 It's a promise

A
 And I don't break promises

Em
 And it's okay, yea it's okay

Bm
 Darling, it's okay

A

You can stay
