

Abbey Glover - You Want Me

Tom: C

^C
Your smile, your fake smile

^{Dm}
Is your most worn accessory

^F ^C
But it don't fool me, it don't fool me at all

^C
And I know you're down, I know you're down

^{Dm}
But I could pick you off the ground

^F ^C
I could be around, whenever you want me to

^F ^{Dm}
I know you want me, I know you want me

^C
I can see it in your eyes

^F ^{Dm}
And I know you need me, I know you need me

^C
Stop telling me all of these lies

^G
Cause you're scared to fall in love

^F
But honey I won't break your heart

^C ^{Dm}
I wanna make, I wanna make you feel understood

^F
Wanna make you, wanna make you feel good

^C
I wanna make you feel fine

^C ^{Dm}
Tell me, tell me, tell me where you wanna go

^F ^C

I wanna know, tell me and I'll take you there

^F ^{Dm}
I know you want me, I know you want me

^C
I can see it in your eyes

^F ^{Dm}
And I know you need me, I know you need me

^C
Stop telling me all of these lies

^G
Cause you're scared to fall in love

^F
But honey I won't break your heart

^{Dm} ^F
You don't need to worry baby, no, you don't need to worry baby

^{Am} ^C
Cause I won't, I won't let you down

^{Dm} ^F
You don't need to worry baby, no, you don't need to worry baby

^{Am} ^C
Cause I won't, I won't let you down

^F ^{Dm}
I know you want me, I know you want me

^C
I can see it in your eyes

^F ^{Dm}
And I know you need me, I know you need me

^C
Stop telling me all of these lies

^G
Cause you're scared to fall in love

^F
But honey I won't break your heart
