

# Absynthe Minded - Only Skin Deep

Tom: **Eb**  
Intro: **Eb Ab G D**

**Eb** **Ab**  
It's on the tip of my tongue  
**G** **D** (Repete até o refrão)  
Only skin deep  
It's about what we've become  
Without defeat  
And it's needless to say  
I guess I'm well bred  
But I don't always wanna hang  
With the rest of the gang

Refrão:  
**Eb** **Cm**  
Ooh it's amazing  
**G** **Bb**  
We all wanna get it right  
**Eb** **Cm**  
Sometimes baby  
**G** **Bb**

You gotta let it all hang out

Solo: ( **Eb Ab G D** )

Wheels within wheels  
The chrome wheel speaks  
It creaks and it swallows  
The man machine

Do you hear a guitar speak  
A seasonal language  
The only one that everybody  
Understands

**Eb** **Cm**  
Ooh it's amazing  
**G** **Bb**  
We all wanna get it right  
**Eb** **Cm**  
Sometimes baby  
**G** **Bb**  
You gotta let it all hang out [2x]

## Acordes
