I've been around the world I've seen a million girls Ain't one of them got What my lady she's got She steals the spotlight Knocks me of my feet She's enough to start a landslide Just walking down the street Wearing dresses so tight And looking dynamite Enough to blow me out No doubt about it can't live without it

[REFRÃO]

The girl's got the rhythm The girl's got the rhythm She's got the backseat rhythm The girl's got the rhythm

She's like a lethal brand Too much for any man She gives me first degree She really satisfies me Love me till I'm legless Aching and sore Enough to stop a freight train Or start the Third World War You know I'm losin' sleep I'm in too deep And my body needs love No doubt about it can't live without it

[REFRÃ0]

You know she moves like sin And when she lets me in It's like liquid love No doubt about it can't live without it

[REFRÃ0]

You know she really got the rhythm She's got the backseat rhythm Rock 'n' roll rhythm The girl's got the rhythm
