AC/DC - Have a drink on me

Tom: G

```
                                              2. Oh              Guitar Solo

                                1/2
                                              Full        hold bend        Full

                          1/2
                                       1/2
                                       Full
                     1/2
                                         Full        3/4        3/4        3/4              3/4
                                         Full

              1/2
                                              Full    Full    Full

                                         1/2                              Full            Full
           1/4
                                              Full          Full          Full      Full    hold
           Oh.......          whiskey    bend

                                         Full      Full      Full      Full(top note only)
4x     join me for..P.M..
                                              Full            Full(top note)      1/2(top note)

                 P.M.     P.M.
                                                                         1/2

           Forget about the check.............            Full    Full    Full

        Have a...........          P.M.           Have a drink...............etc.

        1/4                                       Outro(Gonna roll around....etc.)

                          1/4                                                    4x

              C'mon
```
