                                                                      you've had enough, you ship them out.
                                                                                         down, you'd better buy the pound.
                                                                      the dollar's up
                                                                                D
             Tailored suits, chauffered cars, fine hotels and
                                                                      The claim is on you, the sights are on me,
                                                                      so what do you do, that's guaranteed.
big cigars,
     up for grabs, up for a price,
                                                                      Hey little girl, you break the laws,
                                                                      you hustle, you deal, you steal from us all.
    where the red hot girls keep on dancing through the night.
    The claim is on you, the sights are on me. So what do you do, that's guaranteed.
                                                                  Come on, come on, love me for the money!
                                                                  Come on, come on, listen to the moneytalk!
    Hey little girl, you want it all
    the furs, the diamonds, the paintings on the wall.
                                                                  Come on, come on, love me for the money!
                                                                  Come on, come on, listen to the moneytalk!
Come on, come on, love me for the money!
                                                                  Come on, come on, love me for the money!
Come on, come on, listen to the moneytalk!
Come on, come on, love me for the money!
                                                                  Come on, come on, listen to the moneytalk!
Come on, come on, listen to the moneytalk!
                                                                  Come on, come on, love me for the money!
                                                                  Come on, come on, listen to the moneytalk!
            A French maid, foreign chef, a big house with a
king size bed,
