

AC/DC - Stiff Upper Lip

Tom: **A**

Standard tuning

m=muted note, b=bend, h=hammer-on, r=release, x=muted click, =slide
down, /=slide up, v=vibrato

Angus

Repeat Riff As Many times as needed

Solo at 1:39 (use mainly upstrokes)

the notes that Angus hits just after the solo

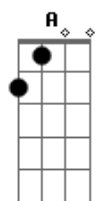

a few seconds later hit this

Outro (flick pick-up switch at this note to bass)

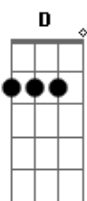

Chorus:
strike the **A** chord for a while with the vocals then **D C** chords
then back to **A**
so its **A D C** and repeat.

Angus once said when asked which "boy band" would place higher
TV "Who cares
its not rock and roll." Revivng rock is what its all about.
