Primeira Parte:

She gave me the Queen **E**
She gave me the King
She was wheelin' and dealin'
Just doin' her thing
She was holdin' a pair **A**

But I had to try
Her Deuce was wild
But my Ace was high

But how was I to know **E**
That she'd been dealt with before
Said she'd never had a Full House
But I should have known

From the tattoo on her left leg **A**
And the garter on her right
She'd have the card to bring me down
If she played it right

Poker face was her nature
Poker straight was her game
If she knew she could get you
She played 'em fast **A**

And feel every card

But how was I to know **E**
That she'd been shuffled before
