

# Accept - The King

Tom: **F**

**Dm**  
He was a leader of a small gang  
**C**  
Committing crimes each day  
**Dm**  
But time has changed where he was proud  
**C**  
It's so far away

**Bb**  
He took living easy, his bad reputation  
**Gm**  
Oh, it was known all around  
**Am**  
But he didn't care, no - he made dirty money  
**Bm**  
Now he is down and out

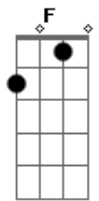

Thought he knew the tricks of life  
Prowling in the dark

Now he's left by all his friends  
'Cause he lived apart, of them

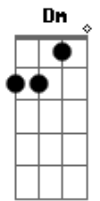

**Dm**  
He was a leader, malicious and violent  
**C**  
His fame is covered with blood  
**Dm**  
Now he's just a number, he lost all his power  
**C**  
The king has lost his face

**F** **C**  
Down down down, oh, a king lost his crown  
**Dm** **Bb**  
**Caught** and sentenced, he was guilty  
**F** **C**  
Down down down, oh, a king lost his crown  
**Dm** **Bb**  
It's too late for to hide  
**Dm**  
Late for to hide
