                          Bm
Intro:  Bm   G   Aadd9   Gbm

Tout pour toi (Everything for you)

Liaison dangereuse (Dangerous relationship)

[Verse 1]

Bm                        G               Aadd9
I tried to write you a love song I tough I could
            Gbm             Bm
So far what I told, you misunderstood
                  G
It use to be so good
         Aadd9        Gbm
What went wrong with us

Bm           G           Aadd9
I remember our night in Montparnasse
               Gbm           Bm
You gave me a painting made of us
               G           Aadd9       Gbm
So I cherish our moments when we still where young

Bm
I wont give it up
G
Can't you see I'm not strong enough
Aadd9
Don't call my bluff
Gbm           Bm
A sunny, sunny day

[Chorus]

Bm        G           Aadd9
I'm doing it all for you
                   Gbm                  Bm
But you're letting me down, you better turn around
Bm     G          Aadd9
I doing it All for you
Gbm            Bm
a-a a-All for you       Intr: (Bm G Aadd9 Gbm )

[Verse 2]

Bm                    G              Aadd9
Hand in hand on our journey where set for love
                     Gbm              Bm
You and me against the world, we where never apart
           G               Aadd9       Gbm
So naive I could be, I tough our love would last

Bm
I wont give it up
G
Can't you see I'm not strong enough
Aadd9
Don't call my bluff
Gbm           Bm
```
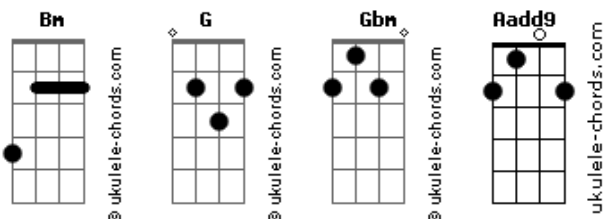

```
A sunny, sunny day

[Chorus]

Bm        G           Aadd9
I'm doing it All for you
                   Gbm                  Bm
But you're letting me down, you better turn around
Bm     G          Aadd9
I doing it All for you
Gbm           Bm
A-a a-All for you

Bm        G           Aadd9
I'm doing it All for you
                   Gbm                  Bm
But you're letting me down, you better turn around
Bm             G          Aadd9
When I am singing the blues for you
Gbm          Bm
A-a a-All for you

            (Bm G Aadd9 Gbm )
Come to me honey, help me understand

About your feelings, about your plans

Just one more chance to hear my pray

( Bm   G   Aadd9   Gbm )

 ( Ahhhhhh-All for you, All for you)

[Chorus]

Bm        G           Aadd9
I'm doing it All for you
                   Gbm                  Bm
But you're letting me down, you better turn around
Bm     G          Aadd9
I doing it All for you
Gbm           Bm
A-a a-All for you

Bm        G           Aadd9
I'm doing it All for you
Bm             Gbm                  Bm
But you're letting me down, you better turn around
Bm             G          Aadd9
When I am singing the blues for you
Gbm          Bm
A-a a-All for you

( Bm  G  Gbm  Aadd9 )

All for you

I would do the same tomorrow, All for you

Without no regrets no sorrow

(Gbm          Bm )
Ooh. ooh, For you
```
