

Across The Universe - If I Fell

Tom: **G**

If I fell in love with you,
Would you promise to be true
And help me understand.

Cause I've been in love before
And I've found that love was more,
Than just holding hands.

(Refrão)

If I give my heart to you,
I must be sure from the very start
That you would love me more than her

If I trust in you,
Oh please, don't run and hide
If I love you too,
Oh please, don't hurt my pride like her
Cause I couldn't stand the pain
And I, would be sad if our new love was in vain
So I hope you see,
That I would love to love you
If I fell in love with you.
