

# Acustico D3 - Clocks - do Seu Lado

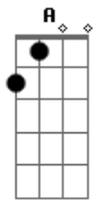

tom:

Intro: D A E

The lights go out and I can't be saved  
 Tides that I tried to swim against  
 Have brought me down upon my knees  
 Oh, I beg, I beg and plead  
 Singin' come out of things un said  
 Shoot an apple off my head  
 And a trouble that can't be named  
 A tiger's waiting to be tamed, singin'  
 You are  
 You are

Faz muito tempo, mas eu me lembro  
 Você implicava comigo  
 Mas hoje vejo que tanto tempo  
 Me deixou muito mais calmo  
 O meu comportamento egoísta  
 Seu temperamento difícil  
 Você me achava meio esquisito

Eu te achava tão chata

[Segunda Parte]

Mas tudo que acontece na vida  
 Tem um momento e um destino  
 Viver é uma arte, é um ofício  
 Só que precisa cuidado  
 Pra perceber que olhar só pra dentro  
 É o maior desperdício  
 O teu amor pode estar do seu lado

[Refrão]

O amor é o calor que aquece a alma  
 O amor tem sabor pra quem bebe a sua água

La  
 La La La La La La La La La La La La

[Refrão]

O amor é o calor que aquece a alma  
 O amor tem sabor pra quem bebe a sua água
