

# ADAI Music - Lugares Altos

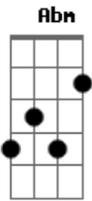

tom:  
**B**  
 Um muro alto se ergueu  
**E**  
 Pecado e separação  
**Gb**  
 Vazio e escuridão  
**B** **Abm**  
 Perdido e longe de Ti  
**E**  
 Sem poder respirar  
**Gb**  
 O ar da Tua graça  
**E** **Abm** **Gb**  
 Mas Teu amor revelou  
**Ebm** **Gb**  
 Tua graça a ponte levantou

**Abm** **Gb**  
 Teu sangue me resgatou  
**B** **Abm**  
 Tua graça o muro alto derrubou  
**E** **Dbm**  
 Do abismo aos céus a Tua cruz me transportou  
**B** **Abm**  
 Tua morte me deu vida e redenção  
**E** **Dbm** **Gb** **E**  
 De perdido e réu, a lugares altos  
**E** **Gb**  
 Teu amor me transformou  
**Abm** **Ebm**  
 Perdido era, mas Tua graça me encontrou  
**E** **Gb**  
 Teu sangue me comprou  
**Abm** **Ebm**  
 Hoje eu vivo em Ti em lugares altos
