

# Adam Carroll - Full Moon Shining Down

tom:

Intro: C] <sup>G</sup>

Out on the open Highway

With the full moon shining down <sup>F</sup>

My heart could break a thousand times <sup>C</sup> <sup>D7</sup>

And never make a sound <sup>G C</sup>

The world was lost and lonely

And I was Creeping in <sup>F</sup>

I dreamed I?m driving all night long <sup>C</sup>

And never giving in <sup>G C</sup>

Well, I dreamed the inspiration <sup>F</sup>

And I fell on the road <sup>C</sup> <sup>D7</sup>

She ask me not to come back <sup>G C</sup>

I begged her not to go

She dreamed about a blessing bride <sup>F</sup>

There in her wedding gown <sup>C</sup>

Out on the open highway <sup>G</sup>

With the full moon shining down <sup>C</sup>

<sup>F</sup>

Out on the open highway <sup>C</sup>

With the full moon shining down <sup>F</sup>

My heart could break a thousand times <sup>C</sup> <sup>D7</sup>

Before the sun goes down <sup>G</sup>

<sup>F</sup>

Well, every time I?ve set them up <sup>C</sup>

Somebody?s knock them down <sup>F</sup>

Out on the open highway <sup>C</sup>

With the full moon shining down <sup>G</sup> <sup>C</sup>

Well, I dreamed the inspiration

<sup>F</sup>

I felt like god?s first child <sup>C</sup>

Out on the open highway <sup>D7</sup>

With the freedom most so while <sup>G C</sup>

She dreamed a thousand love songs <sup>F</sup>

There in her pretty head <sup>C</sup>

I?m out here on the highway <sup>G</sup> <sup>C</sup>

She?s wishing I were there

Well, I dreamed a thousand yesterdays <sup>F</sup>

With roses and rain <sup>C</sup> <sup>D7</sup>

But I stood and watched her walk away <sup>G C</sup>

Her heart was locks and chains

Out here on this old highway <sup>F</sup>

I got to make some ground <sup>C</sup>

Something out here waits for me <sup>G</sup> <sup>C</sup>

With the full moon shining down

<sup>F</sup>

Out on the open highway <sup>C</sup>

With the full moon shining down <sup>F</sup>

My heart could break a thousand times <sup>C</sup>

Before that old red sun goes down <sup>D7</sup> <sup>G F</sup>

Well, my friends are out here somewhere <sup>C</sup> <sup>F</sup>

And they?re scared all around <sup>C</sup>

Out on the open highway <sup>G</sup> <sup>D</sup>

With the full moon shining down

<sup>F</sup>

Well, every time I?ve set them up <sup>C</sup> <sup>F</sup>

Somebody?s knocked them down <sup>C</sup>

Out on the open highway <sup>G</sup> <sup>D C</sup>

With the full moon shining down
