

Adam Klobi - Dinner

```
tom:
                Bb (forma dos acordes no tom de G )
Capostraste na 3º casa
She took a long drive
She parked by the pines \bar{}
She said she never cries
But there's a tear in her eye
And now the road's getting wide
Em
She looks to the sky
She said she's doing fine
But she's dying inside
Mm, she said, from her head to her toes \stackrel{\text{Em}}{\text{Em}}
I wish I was thinner
Em D C
And I ate in the day
I guess I'll skip dinner
 Em D C Em
Now it's cold and I froze, maybe that's just winter
            D
But if God only knows
Does that make me a sinner?
(Em D C Em)
Feeling the time \ensuremath{\text{C}}
```

Passing you by (oh passing you by) Were we young? Were we dumb? Or were we just too blind? And all those signs We could not fight, (mmmm) Left us battered and broken and out of our mind (ooh, oh) Mm, she said from her head (head) to her toes I wish I was thinner (I wish, I wish, I wish) D And I ate (ate) in the day I guess I'll skip dinner (oh, oh) D Now it's cold and I froze Em D C Maybe that's just winter (oh) Em D C But if God only knows Does that make me a sinner? Does that make me a sinner? I don't think I know myself, I know I wanna try (ah) ${\tt I_gotta}$ pick up the pieces and leave it all behind D Don't think I love myself, I know I gotta try I gotta pick up my pieces and leave it all behind (ah) And leave it all behind
