

## Adam Lambert - A Loaded Smile

```
Tom: Db
   (intro) F Ab C C
        F Ab C C
If I say I'm sorry
Ab C C
It's just me telling a lie
When you're in my arms
Ab C Gb
I feel emptier inside
I never felt so satisfied
Everything falls into place but
I think I need a little more time
And yeah I know my life has changed but
Honestly I don't know if we'll survive
A Loaded Smile
An empty glass
And one last dance
Walking hand in hand
Ab C
You are all I ever want
And when you're not around yeah
Don't even notice that you're gone
```

```
We are barely hanging on
Everything falls into place but I
Think I need a little more time
And yeah I know my life has changed but
Honestly I don't know if we'll survive
Bb7 this whole part "D
Makes me want you baby
Can't you feel it, can't you feel it, can't you feel it'
I do still want to baby
It's a certain kind of complicated
Makes me want you baby
Can't you feel it, can't you feel it, can't you feel it'
I do still want to baby
It's a certain kind of complicated
( C Gm Bbm ) (2x) C
Everything falls into place but
I think I need a little more time
And yeah I know my life has changed but
Honestly I don't know if we'll survive
Bh
A Loaded Smile
An empty glass
And one last dance
