

Adam Lambert - After Hours

Tom: C

Gotta get out
I gotta get outside of my mind Before I rip it out
I'm on a drive
I gotta take a little trip, get twisted And ride it out

Always after hours I'm burning wet lies Always after hours
Late night, power
I feel it at the wheel Always after hours I'm burning bad lies
Always after hours
Late night, power I feel it at the wheel
I'm on drive I'm on a night drive
I gotta get take a little trip, get twisted And ride it out

Always after hours I'm burning wet lies Always after hours
Late night, power
I feel it at the wheel Always after hours I'm burning bad lies
Always after hours
Late night, power I feel it at the wheel

Late night, power I feel it at the wheel
Gotta get out Gotta get outside
I gotta get outside of my mind Before I rip it out
I'm on a drive I'm on a night drive
I gotta take a little trip, get twisted And ride it out

Always after hours I'm burning wet lies Always after hours
Late night, power
I feel it at the wheel Always after hours I'm burning bad lies
Always after hours
Late night, power I feel it at the wheel
I'm on drive I'm on a night drive
I gotta get take a little trip, get twisted And ride it out

Always after hours I'm burning wet lies Always after hours
Late night, power
I feel it at the wheel Always after hours I'm burning bad lies
Always after hours
Late night, power I feel it at the wheel
