

Adam Lambert - Better Than I Know Myself

Tom: Bb

Cold as ice
And more bitter than a December
Winter night
That's how I treated you
And I know that I
I sometimes tend to lose my temper
And I cross the line
Yeah that's the truth

Pré-Refrão:

I know it gets hard sometimes
But I could never
Leave your side
No matter what I say
Cause if I wanted to go I would have gone by now,
But I really need you near me to
Keep my mind off the edge
If I wanted to leave I would have left by now,
But you're the only one that knows me
Better than I know myself

Verso 2:

All along
I tried to pretend it didn't matter
If I was alone
But deep down I know
If you were gone
For even a day I wouldn't know which way to turn
Cause I'm lost without you.

Pré-Refrão:

I know it gets hard sometimes

But I could never

Leave your side

No matter what I say

Cause if I wanted to go I would have gone by now,

But I really need you near me to

Keep my mind off the edge

If I wanted to leave I would have left by now,

But you're the only one that knows me

Better than I know myself

Ponte:

I get kind of dark

Let it go too far

I can be obnoxious at times

But try and see my heart

Cause I need you need now

So don't let me down

You're the only thing in this world I would die without

Cause if I wanted to go I would have gone by now,

But I really need you near me to

Keep my mind off the edge

If I wanted to leave I would have left by now,

But you're the only one that knows me

Better than I know myself

Cause if I wanted to go I would have gone by now,

But I really need you near me to

Keep my mind off the edge

If I wanted to leave I would have left by now,

But you're the only one that knows me

Better than I know myself
