

Adam Lambert - Nirvana

Tom: B

(com acordes na forma de
Capotraste na 4ª casa
Verso 1:

Em G D
When the stars are too cold
Em G D
Frozen over their glow
Em G D
On the edge of the night
C G D
We can be their light
Em G D
So give me more than your touch
Em G D
And give yourself to the rush
Em G D
Just keep holding my hand
C G D
As we're taking off
C G D
I know where we'll land

Refrão:

Em G C
We can escape to a higher plane
D Em
In Nirvana stay
G C
Where the dreamers lay
D
I'll lay you down lay you down
Em G C
Safe on a higher plane
D Em
In Nirvana stay
G C
Where the dreamers lay
D
I'll lay you down, lay you down

Verso 2:

Em G D
Through the dark there's a way
Em G D
There's a love, there's a place
Em G D
Where we don't have to hide
C G D
We can dream all night
Em G D
So follow me through the sky
Em G D
And watch the oceans collide
Em G D
Just keep holding my hand

G)

C G D
As we're taking off
C G D
I know where we'll land
